29. Any other information:

Being the Head of Department of Geography, the classes are allotted among the teachers according to teacher's specialization. Care is taken that the classes go smoothly and the syllabus is completed within the time frame. Departmental Seminars are organized which allow the students and teachers to interact each other more. Beside the classroom teaching students are taken out for the field study.

Being the PO of NSS, have organized many programs under the banner of NSS unit of the college. Have always Participate in all the programs organized by the college for the benefit of the college.

All the above information is correct and true to the best of my knowledge.
