The Principal's Desk

Dear enlighten parents and students,

With great pleasure I warmly welcome you all to Wangcha Rajkumar Government College, Deomali. Established in 1997, the College has completed its'25 years of meaningful journey. I congratulate each one of you to become integral part of our Silver Jubilee Celebrations year- 2022 and continue to help us in our committed aim at creating all round personality development of our students- professionally and socially.

COVID-19 has wreaked havoc across the world. This pandemic has also utterly disrupted our education system. Despite the challenging situations I am immensely impressed by the Commitment of the students, faculty and the staff who left no stone unturned in fulfilling our mission of delivering quality education.

As head of the institution, I am highly satisfied with the dedicated team of WRGC Deomali. Our excellent teamwork is responsible for the overall development of the college. We have been able to promote the essence of academic achievement among our students. According to Nelson Mandela, "Education is the most powerful weapon which you can use to change the world." With a long and rewarding history of achievement in education behind us, our college community continues to move forward together with confidence, pride and enthusiasm.

In order to accomplish our vision and mission, we are prepared to take as much effort as possible for the betterment of academic scenario in the college. Our teachers strive to teach not only academic programmes but also life skills needed for students' self-development. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our students, which subsequently benefit the society. We feel proud that we are part of such an excellent institute, which is shaping modern India.

Today's education system faces a greater challenge in terms of imparting the right knowledge and the apt experience that blends to create wonderful, young and successful students. The world has become highly competitive. To challenge and compete these tasks we remembered Swami Vivekananda saying that, "We want the education by which character is formed, strength of mind is increased, and the intellect is expanded, and by which one can stand on one's own feet." Our college follows "mentor system" under which each class is put into the multi-pronged web of a teacher. We accord prime importance to the behavioural discipline, moral integrity and cognitive developments of our students through extracurricular activities like NSS/NCC.

We strive for the best to our motto: "विद्ययाऽमृतमश्नुते" (knowledge is nectar) because only through knowledge we can do today a good human and to secure our futures. I would also like to quote, "The tradition of excellence is ours; the choice is yours".

Lastly, I would like to say that we, WRGC look forward and wish a long association with you. Let us join hands and help to achieve the greater heights in the society.

With Regards.

Dr. Monshi Tayeng
Principal

A Brief Profile

Wangcha Rajkumar Government College (Formally Tirap Government College), the premier institute of higher learning in Tirap and Longding districts has completed its excellent journey of 25 years.

It had a humble beginning in 1997 at Charju, Khonsa, before being shifted to its present location. Historically, it has a record in pioneering higher education in Patkai region of Arunachal, and fulfills the long-cherished desire of the people of this area. The college has been renamed, from the earlier "Tirap Government College" to existing "Wangcha Rajkumar Government College" by the Government in memory of Lt. Wangcha Rajkumar, a renowned public leader of the area.

The campus is situated within the town of Deomali, a sub-division of Tirap District. The campus is quiet and traffic-free. Deomali town is itself easily accessible by public or private transport from nearby towns and states. Khonsa, the district headquarters of Tirap district, and Dibrugarh and Tinsukia, major towns of Upper Assam, are within a couple of hours journey from Deomali. The nearest railway station is Naharkatia (at a distance of 18 kilometres approximately) and the nearest airport is at Mohanbari, Dibrugarh (72 kilometres approximately).

The college has always maintained its principle of being an institution for imparting value-based education and for nurturing academic confidence and excellence. The track record of the college in the university examinations speaks for the quality of education imparted here. The college's excellent reputation in teaching, its strong examination results and its support facilities create an academic environment where students are inspired to reach their highest potential. The academic activities are bolstered with various extra-curricular activities which support the growth of all-round potential of the students.

The institution is committed to providing the leadership and direction for the times ahead in every sphere of human enterprise and endeavor, and aims to establish symbiotic cord between the teacher and the taught, and to instill the concept of *vasudhaiva kutumbakam* (the entire earth as one family).

2.3. DESCRIPTION OF VARIOUS COURSES

1. **Core Courses:** A course which shall be compulsorily studied by a candidate as a core requirement is referred as a Core Course (CC). There shall be 14 papers under Core Course of 6 credits each. Core subject / course is what the student will have honours in if he or she is able to complete her degree programme.

Important Note: B.A. 1st semester students, before filling the application form, must carefully choose their core subjects. A student can choose only one core subject. Core subjects, once chosen, cannot be changed in other semesters.

2. **Generic Elective Courses:** An elective course of interdisciplinary nature chosen from an allied discipline/subject with an intention to provide exposure beyond the discipline

of choice is referred as General Elective Course (GEC). Generic Elective Courses are of 6 credits each.

As per UGC notification, a core course of a particular discipline/subject may be offered as GE to the students of allied discipline/subject and vice versa. In this matter, the General Elective Courses to be offered by each discipline has been fixed by Rajiv Gandhi University, which our college will also follow. A maximum of two additional courses on Computer application may be offered by the College/University provided trained faculty and necessary infrastructural facilities are available.

Important Note: A student applying to B. A/B. Com 1st semesters can choose any one Generic Elective Course offered by the various disciplines/subjects of B. A. and B. Com. Programmes. But, the discipline of which the GEC is chosen must not be the same as the Core Course discipline. For example, a student who has chosen Economics as her core course subject/discipline must choose her GEC paper from any other discipline other than Economics. B. A. students can choose a GEC paper offered by B. Com, and vice-versa.

- 3. Discipline Specific Elective Courses:** Elective courses offered under the core discipline/subject of study are referred to as Discipline Specific Elective Course (DSE). DSE Courses are of 6 credits each. DSE Courses are offered in 5th and 6th semesters, and the courses to be offered, in the case of W. R. G. College, Deomali, will be prescribed by the college as per its teaching infrastructural capacity.
- 4. Ability Enhancement Compulsory Courses:** Ability Enhancement Compulsory Courses (AECC) shall be the courses based upon the contents that lead to knowledge enhancement and shall include courses on English, Hindi, MIL Communication, and Environmental Studies.

Important Note: In the 1st semester (for both B. A. and B. Com.), students must choose between the two AECC courses offered by English or Hindi discipline. In the 2nd semester, all students must choose Environmental Studies as AECC. AECC courses are of 4 credit points each.

- 5. Skill Enhancement Courses (SEC):** The courses containing theoretical and/or lab/hands-on/ training/ field work components and designed to impart value-based and/or skill-based knowledge/life-skills to the students so as to increase their employability are referred to as SEC.

Important Note: The students of Art and Commerce disciplines shall select 2 SEC, one each in 3rd and 4th semesters. Although SEC can be taken from other disciplines, in the case of W.R.G. College, Deomali, the SEC to be chosen will be prescribed by the college as per its teaching infrastructural capacity.

2. **Failed students and those who did not appear for University Examination after getting Admit Card are not eligible for re-admission.**
3. Examination and Evaluation for Old Semester System:
 - i) Examination and evaluation shall be done on a continuous basis.
 - ii) There shall be 20% marks for internal assessment and 80% marks for end semester examination in each course during every semester.
 - iii) There shall be no provision for re-evaluation of the answer scripts of the end semester examinations. However, a candidate may apply for re-scrutiny.
4. Internal Assessment for Old Semester System:
 - i) For internal assessment, different tools may be employed such as written tests, assignments, papers presentation, laboratory work, etc., suitable to prescribed by the concerned Board. There shall be three internal assessments for each paper and average best of two shall be taken into account for University examination.
 - ii) The students will be informed in advance about the nature of assessment. Students shall compulsorily attend in the process of internal assessment, failing which they will not be allowed to appear in the end semester examinations.
5. End Semester Examinations for Old Semester System:
 - i) There shall be one End semester examination carrying 80 percent marks in each course, except for Geography, of a semester covering the entire syllabus prescribed for the course. The end semester examination is normally a written/laboratory-based examination/Project work/Dissertation as the case may be.
 - ii) The end semester examination for each course shall be of three or two-hours duration.
6. Results and Progression for Old Semester System:
 - i) A candidate shall be declared as passed a course provided he/she secures -
 - a) At least 35% marks in the course and 40 % in aggregate in the end-semester examinations.
 - b) At least 40% marks in the sessional/internal examination (In-Semester) and end semester examinations separately.
 - ii) A candidate shall be declared as passed a semester, provided he/she passes all

the courses of a semester independently both in internal and end semester examinations.

- iii) The marks of in-semester examinations sessional tests obtained by the candidate shall be carried over for declaring a result.
- iv) A candidate who fails or does not appear in one or more courses of any end semester examinations shall be provisionally promoted to the next higher semester with the failed course as carried over course (s). Such candidates will be eligible to appear in the carried over course in the next regular examinations of those courses. However, the following restrictions shall be applicable:
 - a) In order to move from a lower to higher semester, a candidate must pass in at least two theory courses and all the practical courses with an aggregate of 40% marks in the passed papers/courses.
 - b) A candidate shall be entitled to a maximum of three consecutive chances to clear a course.
 - c) A candidate shall be allowed to get maximum two back paper in each semester.
 - d) If a candidate clears the sixth semester examination before clearing the backlog courses of the previous semesters, his or her result will not be declared until he/she clears the backlog courses of the previous semesters.
- v) A student must pass all his/her semester examinations within six years i.e within 12 continuous semesters. In no circumstances this requirement shall be relaxed.
- vi) Since the semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in the system.
- vii) A candidate shall be declared to have passed the six semester Degree B. A, B. SC/ B. Com programme provided he/she has passed all the semesters and in all the courses separately securing an aggregate of atleast 40% marks.
- viii) The degrees shall be conferred to candidates, who passed the six semester degree B. A/B. SC./B. Com programmes in the following manner.

Programmes	
60% and above marks in aggregate	First Class
40% to less than 60% marks in aggregate	Second Class

7. Improvement Examination for Old Semester System:

- i) A student shall be allowed to take the improvement examinations in any four theory courses of any of the six semesters after passing the sixth semester examination only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for improvement examination within one year of passing the Sixth Semester Examination.
- ii) No improvement shall be allowed in the practical examinations.

8. Examination, Evaluation, and Progression for CBCS System:

- i) A student shall be eligible to write the end semester examination if he/she has attended 75% of lectures delivered in the class during the semester in each subject.
 - ii) All students will be subjected to the process of continuous evaluation and assessment. Accordingly, a student shall have to attend and duly pass in at least two Internal Assessment tests out of three tests, and End Semester Examination. The structure of these Internal Assessment Tests and End Semester Examinations shall be 20:80.
 - iii) The minimum pass marks at the End Semester Examination shall be 35% in each paper and 40% in aggregate. The minimum pass marks at the internal assessment tests shall be 35% in each paper. The minimum pass marks for a practical paper shall be the same as that of the theory paper and inability to secure the minimum prescribed pass mark in a practical paper/component shall make the candidate fail in that paper.
