**Activities of the Inter Quality Assurance Cell (IQAC) during 2015-2016**

1. An orientation programme was organised for the Fresher students on 20<sup>th</sup> August'2015 to help students understand various facets of semester system of academic curriculum and for their initiation into higher education.
2. A seminar was convened by History Department on "The Making of Indian History" in the college on 15<sup>th</sup> September'2015 wherein faculty and students not only form the history but also from other departments participated and presented their papers. This has certainly helped the students formulate their ideas pertaining to the subjects.
3. Another seminar on: "The Definition of Economics: Continuity and Changes" was convened by the department of Economics on 12<sup>th</sup> October'2015 in which a large number of students and faculty participated not only from the college but also from outside. A good number of papers were presented in the seminar.
4. A Data Dissemination Workshop on Census of India'2011 was organised in the college by the Directorate of Census Operation, Arunachal Pradesh, Govt. of India on 17<sup>th</sup> March'2016 to help the students and faculty alike learnt the intricacies involved in data collection and its use for various purposes.

Besides these programmes quite a few of the faculty members have participated and presented paper in various national/international Seminars/Conference in various Universities and a few others have participated in the Orientation/Refresher Course organized by the UGC- Human Resource Development Centre (ASC) of various Universities across the country. These activities and programmed have certainly helped the institution in terms of quality and acumen up the faculty to impart teaching with newer insights pertaining to their respective subjects.

**Future Activities**

A Number of seminars, training and orientation programmes to ensure the quality are slated to be held during the forth coming academic session. If the UGC sanctions fund a national seminar is also proposed in the college in near future.
