The following points were discuss and resolutions were taken:-

1. Welcome speech by Mr. Chayon Bangyang, Secy. Staff Council.
2. Report by co-ordinator Examination Branch. He highlights the overall results of B.A./B.Com I,III & V Semester, University Results – 2019-20..
3. Speech by the Principal – Welcome the faculty to discuss on the result
 - Expressed his unhappiness/dissatisfaction over the University result-2019-20.
 - We shared dissert the factors resulting to the under performances of the students.
4. Open Discussion department wise:
 - 4.1 Economics Faculty themselves are surprised by result. It was unexpected they says. Students were regular & good and teaching was done well.
 - 4.2 Mr. Chayon Bangyang, explain that there was a technical problem in the question setting. Mathematics paper is the major problem for the students and moreover, they applied the wrong formula in the examination. Problem lies mainly with the mathematics paper in both the teaching/learning process. Need for more faculty.
 - 4.3 Principal will forward the problem to the higher education and request for more faculties for the Economics department.
5. English Department:
 - 5.1 Students need to be more sincere and regular. There could also be problem in the evaluation. Face high mark in the Sessional test. Department has to develop a technique to improve in students regularly.

- 5.2 Faculty in the Sessional test/assignment marking and to facing for qualification. 0/2 marks in the test but high marks in Assignment but still qualified because of the totaling system.
Proposal to qualify a test in two Sessional/Assignment.
- 5.3 Students are very weak in English reading/writing/understanding.
6. Political Science Department:
 - 6.1 Students have taken the subject not because they are interested but because they have nothing to choose. Also because some departments have limited their seat. Students are irregular and disinterested.
 - 6.2 Problems of the institution start from the admission process also may contribute to failure of the students.
75% attendance have to be make compulsory to appear the University Examination which is not followed despite the written rule.
Students should clear at least two internal Assessments to be allowed to appear the final examination, which is the rule but not done.
There should not be mercy marking.
 - 6.3 Further discussion on 6.2 in the next academic meeting.
7. Geography Department:
 - 7.1 Irregularity of the students. New syllabus on statistics and remote sensing is posing a problem in the teaching/learning process. The faculty has made full effort to motivate and improve the student's performance. Most faults lies with the students.
8. Hindi Department:
 - 8.1 Expecting change for better in the future. Will try for betterment.
9. History Department:
 - 9.1 Satisfied with the 70% result. Credit goes to the faculty and students who have worked really hard. Good coordination among the faculties also may have been resulted in producing good result.
Students are few and good and sincere. They are truly interested in History as a subject.
